

## ANNUAL GENERAL MEETING RAJWA SWB.

30 Nov 2012

### **CHAIRMANS REPORT**

The year again has been one of considerable activity, particularly with respect to Court sitting activities and signing centres. Total documents dealt with in Bunbury alone are estimated as exceeding 20,000 for the full year, while other centres; Busselton, Dunsbrough, Collie etc have also been well involved. This does not include the home/business calls received.

Court sittings through the Branch area relate to about 400 days (includes sittings in more than one court on a given day) or in excess of 1000hrs. I suspect these figures are conservative.

I also acknowledge Trevor Slater for his activities as a VJ to Bunbury Regional Prison. Trevor has had the burden of all the work over recent months. Enjoy a well earned sea cruise in the next couple of weeks.

As you are probably aware, some discussion has taken place with respect to J'sP conducting VRO Courts in the future, after appropriate training. Mr Fisher will no doubt have more to say on the matter shortly.
