

The South West Justices JOURNAL

NOV 2014

AGM and TRAINING SEMINAR

Friday NOVEMBER 28th

Lighthouse Beach Resort Carey St Bunbury

The training at this seminar is not for court accreditation but covers topics that will include material relevant to the administrative work that all Justices undertake. The next SW region court accreditation seminar will be early in 2015 and will be held in Busselton. Any Justices who have not attained accreditation by attending training in 2014 will be removed from the list of accredited Justices on Dec 31st 2014 and be unable to sit in Magistrate's Court until they attend a relevant training day in 2015 and are returned to the list.

It is that time of the year again when we gather to look back at the year past and look forward to that which is ahead.

It is also the time when we look to our membership for Justices who might be able to find the time to serve on the SWB Committee and to that end you will find enclosed a form to use to bring forward persons nominating for the vacant positions. Please give some serious thought to this matter, the job is not an onerous one and you may well know some one who might have shown an interest in being involved.
