General Business

- Following the AGM the branch is short of one committee member
- Passport allegedly left in signing room, not able to be found, sent to police to report lost. Maybe a lock box for left behind property. Suggested that lost property be handed to the Court for safekeeping
- Court matters.
 1. Under the new postal system the proof of service rules are now an issue. Proof of service is 14 days plus 3 from date of postage.
 2. Bail on court hearing notices has seen to be an issue
 3. Question. Prior to sentence deliberation by the Justices a prosecutor has asked to give a submission on sentence? Advised that this is in order.
