Suggest that in future a non appearance after registration without apology may incur the cost of the meal booked.

Manjimup Seminar July 24th, As CM will be away, RP to act as Secretary and assist with subs and other matters as required

Advice has been received that the third Magistrate position for Bunbury has now been filled with the Magistrate starting some time in July. The committee indicated that this was a very good thing and the fact that more support staff were in the package was a big plus for the hard worked court staff
